① I don't know why Katie [REDACTED] of [REDACTED] NY was recently told about an April 10th court hearing I allegedly have as she recently posted online about it, yet nobody on paper having represented this case ever bothered to call me to inform me or even answer my father Kevin [REDACTED]'s emails over the matter. I don't know who gave Katie the keys to my 2019 Ford Fusion hybrid 3 years ago before she got it illegally repod. The court only recently took her off the no contact list since she's been here to Niagara County Jail. I don't know why John L. Sinatra Jr's court continues to collude with her concerning this April 10th court hearing.

I did not send an email out 1/24/22 to [REDACTED] of Minneapolis which did this to me 4 days later. My phone was hacked. John L. Sinatra Jr's court for some reason is in the business of intimidating people and forcing convictions over hacked electronic messages. I'm happy the original 2022 prosecutor David Rudroff was made to recuse himself but it is not good enough. Andrew and Krystie of the Buffalo FBI worked with the Olean Police to lie to me over a 1/27/22 phone call from the Olean Police asking me to come help with my former neighbor [REDACTED] who everybody including me was calling the police on. They cornered me when I arrived at the Olean Police building 1/28/22 over an email from 4 days earlier I never sent as my iPhone hadn't been updated and was hacked. After they threw me into Niagara County Jail here 3 years ago, they then bullied and cornered my macular degeneration legally blind mother Janet McCaul of [REDACTED] of Little Valley NY. I was not present for the search and seizure of my Olean house 1/28/22. They were able to get David Rudroff to give Katie [REDACTED] copies of my FBI Discovery before me or any relatives did.

② Nothing but collusion and fabricated paperwork,

Khaled Abuyhanem's family was recently convicted over hacked electronic messages by an all caucasian jury in John L. Sinatra Jr.'s court. Khaled has been here to Niagara County Jail before. His family is a Yemen born-turned-US citizen family.

Does the US Supreme Court decision *Counterman v. Colorado* 600 US 66 mean nothing in terms of electronic messages? I will be more than happy to inform the Buffalo Islamic Cultural Center after I am done writing this letter about courts in Buffalo forcing convictions onto people over hacked electronic messages and no more conclusive evidence thereof. Awful hard to escape district court judicial tyranny under these circumstances. So since I didn't send this email 3 years ago, I will be asking the Buffalo Islamic Cultural Center for help along with the Abuyhanems since they were intimidated away from even trying to contact the mosques at all, getting someone the district court apparently maintains contact with concerning his debts to the court named Rabbi Leidenfrost to go to Israel and get a wrongful incarceration check for both me and the Abuyhanems since Egypt and Mike Huckabee are now in a forced eye to eye state of neutrality over that issue over there. Perhaps the Buffalo Islamic Cultural Center would like to speak to Olean NY Mayor William J. Aiello about his 2025 campaign reelection promise to make himself the first Mayor in America with a nuke button on his desk in cooperation with Iranian officials?

Was that R. Kelly's stunt double at the Chicago Metropolitan Correctional Center? I heard of an Officer Fernandez at Chicago MCC who caught an employee getting marijuana into the facility. Again it's a country where someone who did 48 years in prison in Oklahoma came out innocent last year and went on tv, and someone in Chicago who 20 years for murder is now suddenly innocent and owed a 7 digit wrongful incarceration check. My phone was hacked 1/24/22 and so were the Abuyhanems. Why should the world release hostages if America can't release its own? -Luke Wenke
