**CAUTION - EXTERNAL:**

I am putting the current environment on you. It doesn't end, it doesn't change. You are incapable of creating peace. I think all you judges do is play Battleship with the Sentencing Guidelines. It would typically be your job to sentence someone for **destroying a house**, as was done to me. Police don't help, Erie County DA doesn't help. So should I **sue** your court for all of this? I don't come from a world where I deal with things like this. I come from a world where we deal with other people face to face. This hasn't gone that way, has it? I am not contacting the [REDACTED], the [REDACTED], or **Katie**. If I'm nice, I'm stalking. If I'm rude, I'm threatening. I'm the one who went away over a speech crime, not them. **When will SHE go away for what she did to my house?** Don't act like I'm doing nothing. Erie County DA won't get back to me. Police refuse to fingerprint. Her website goes and goes and it was Fonda Kubiak who said that **probation employees pay her to run that website**. What happened to "broken Christmas tree ornament" as you said at the end of 2023?

I plan on getting confirmed at St Louis across from the **Buffalo** Catholic Diocese next year as their website says is coming up. I am TRYING to believe in things. This has been a rocky return home nobody deserves.

Michael Crick, 10th generation psychic of the Salamanca Planning Board — [REDACTED]. He is no fan of **Katie**'s. Get a hold of him.

**I'll be letting the world know where they all live.** Andrew and Krystie know I didn't celebrate 9/11 and so I called **Hamas** on them. Shame on me for having sympathy for left leaning Bernie-style activism in 2020. In 2025 I'm more than happy to get those involved with the Israeli army to know where the [REDACTED], [REDACTED], and **Katie** are. **Hamas** is a global problem and they will go away **when the world knows where those guys live.** Look at the condition of my house right now. **As if I give a fuck about exposing THEIR addresses.** They all have very expensive houses compared to mine (so do you [REDACTED] so who knows who in this group is financing **Hamas**).

I will have a second and third income soon. I'm not **Katie**, living with parents my entire adulthood like she does. **Maybe I SHOULD do something to someone else's house.** As if it's not obvious that it's someone involved in the prior circumstances who did it to me.

Also the Buffalo Bills dealing with **Dr Leidenfrost** so publicly on tv makes me support the Dolphins now. **Leidenfrost needs to be fired** from UB.
